

PUBLIC NOTICE

The Hancock County Commissioners intend to contract for engineering services for the following project:

Blanchard River Alternative Formulation Briefing

The Hancock County Commissioners are the lead agency for a General Investigation Study of flood control measures for the Blanchard River in Hancock and Putnam Counties. In cooperation with the Army Corps of Engineers, the Commissioners are seeking a qualified consultant(s) to complete the items necessary for an Alternative Formulation Briefing. Firms interested in being considered for selection should respond by submitting one original and three copies of a Letter of Interest in a sealed envelope marked “**Blanchard River Alternative Formulation Briefing**” to Steven C. Wilson, PE, PS, Hancock County Engineer, 1900 Lima Avenue, PO Box 828, Findlay, Ohio 45839-0828 no later than 3:00 PM on Friday, November 5, 2010. Letters received after this deadline will not be considered.

As required by ORC 153.65-71, responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, the County will enter into contract negotiations with the firm deemed to be most qualified.

The requirements for the Letter of Interest may be secured at the Hancock County Engineers Office or the Northwest Ohio Flood Mitigation Partnership website – www.floodpartnership.org.

Board of Hancock County Commissioners
